Hi Damin. (My)

my house isn't that big, but it's bright and comfortable. There are three rooms, a kitchen, a bathroom and livingroom.

My parent's room and my room are pretty small. But I don't need a big one. But our living room is great, bright and comfortable. We often sit (talk) there in the evening with a cup of tea and talk to each other. What about your house. Email me.
